## WELCOME TO THE REGION 6 LEGACY SUMMIT!

Dear Colleagues,

It is an honor, privilege, and pleasure to officially welcome you to the 2023 Legacy Summit. As we settle into the new year, we take this opportunity to express our deepest gratitude to all of you expanded learning practitioners who show up every day despite the challenges and opportunities presented this year. The BOOST Collaborative, in partnership with the Region 6 Expanded Learning Programs, and the Stanislaus County Office of Education, are excited to provide this learning and networking opportunity to Stanislaus, San Joaquin, Amador, Calaveras and Tuolumne Counties expanded learning programs. Our team is pleased to be able to offer sessions focused on leadership, mental health and well-being, youth development practices, collaborative partnerships, and more. It is our hope that the lessons learned at the Summit will be put into practice when you return to your program and that the people you engage with will become a part of your community of influencers and allies.

As we look forward to where we are headed, it is important to reflect and ask ourselves, WHAT IS MY LEGACY?

Enjoy the Summit!

**Danielle Jones**  
Region 6 SSEL Lead
