WELCOME TO THE REGION 6 LEGACY SUMMIT!

Dear Esteemed Colleagues,

I am delighted to extend a warm and heartfelt welcome to each of you to the 2024 Legacy Summit. It is both an honor and a privilege to have you join us for a day filled with opportunities to explore, learn, and grow.

As we navigate the challenges and opportunities that the new year brings, our deepest appreciation goes out to you the expanded learning educators. Your dedication and resilience, evident in your daily commitment and practice, have contributed to the success and growth of our region.

The BOOST Collaborative, in partnership with the Region 6 Expanded Learning Programs and the Stanislaus County Office of Education, is thrilled to present this enriching learning and networking opportunity tailored for expanded learning programs across Stanislaus, San Joaquin, Amador, Calaveras, and Tuolumne Counties. Our program incorporates sessions dedicated to mental health and well-being, youth development, trauma informed and responsive practices, and more.

Our sincere hope is that the insights gained during the Summit will be seamlessly integrated into your expanded learning programs. By doing so, the individuals you connect with will become engaged members of our community, serving as influencers and allies.

As we collectively envision our future path, it is important to pause and reflect on the question: What is my legacy?

Enjoy the Summit!

Danielle Jones
