

WELCOME TO THE REGION 6 LEGACY SUMMIT!

Dear Esteemed Colleagues,

It is with great excitement and heartfelt appreciation that I welcome you to the 2025 Legacy Summit! This gathering is an extraordinary opportunity to come together, share knowledge, and inspire one another as we work to shape the future of expanded learning in our region.

Your unwavering commitment to supporting students and families through expanded learning programs is truly commendable. The dedication and resilience you demonstrate daily are the foundation of our collective success and the cornerstone of our thriving community.

This year, the BOOST Collaborative, in partnership with Region 6 Expanded Learning Programs and the Stanislaus County Office of Education, is proud to host this day of meaningful learning and connection.

Together, we are cultivating a compassionate system that provides safe, supportive, and caring expanded learning programs in Stanislaus, San Joaquin, Amador, Calaveras, and Tuolumne Counties. The Summit will feature sessions on mental health and well-being, inclusive practices - supporting students with special needs, youth development and engagement, and much more - each designed to equip you with tools to enhance your programs and empower those you serve.

Our sincere hope is that the insights gained during the Summit will be seamlessly integrated into your expanded learning programs. By doing so, the individuals you connect with will become engaged members of our community, serving as influencers and allies.

Thank you for your dedication and for being an essential part of this movement. Enjoy the Summit!

Warm regards,

Danielle Jones
Region 6 SSEL Lead
